The GCL did not sanction bowling until the 2001-02 Season. The Coaches' Association sponsored a State Tournament until the 2006-07 Season when the OHSA sanctioned bowling as a sport. In the 2000-2001 season teams qualified to the state meet from a city tournament. In 2001-02 and thereafter it was sectionals, districts, and regionals to qualify to the state. When the OHSA sponsored tournament began it was sectionals, district and state.
